What is DBN *For Her*?

DBN For Her is the Development Bank of Namibia (DBN)'s dedicated Women Entrepreneurs Financing Facility, specifically designed to empower 100% women-owned enterprises through accessible, responsive, and development-focused finance.

➤ The facility seeks to:

- Close and correct the gender financing gap.
- Support inclusive and sustainable economic growth.
- Strengthen women-owned SMEs and large enterprises across all sectors.
- Advance national priorities in alignment with Namibia's Gender Policy, NDP6, and Sustainable Development Goals 5 and 8

DBN For Her is a structured finance solution that recognises the distinct growth journeys of women entrepreneurs and provides the capital support necessary to realise their ambition.

Who can *Apply*?

DBN For Her is available to 100% women-owned Namibian enterprises, employing between 5 and 300 people, including both SME's and large enterprises, operating across all sectors of the economy.

➤ Types of Financing Options

- Working capital
- Project finance
- Infrastructure finance
- PPP finance
- Asset-backed finance
- Commercial property finance

Loan Amounts	➤	N\$ 150,000 to N\$ 10,000,000

About *DBN*

Established in terms of the DBN Act (Act 8 of 2002), DBN is fully owned by the Government of the Republic of Namibia.

The Bank mobilises capital from domestic and international markets and applies rigorous enterprise-wide risk management to ensure responsible, development-oriented financing.

➤ **Its mandate is to contribute to Namibia's economic growth and social development by:**

- Mobilising financial resources
- Supporting development projects of national importance
- Facilitating private sector participation
- Strengthening money and capital markets

DBN For Her forms part of the Bank's broader commitment to inclusive, sustainable economic development.
